Combo Fellowship Program

19th - 21st July, 2024
Hotel Radisson blu, Indore

FIAGES, FALS BARIATIC & CME

Dr. Subhash Agarwal

PRESIDENT, IAGES

Dear colleagues and delegates,

It gives me great pleasure to invite you to be a part of the twin fellowship programs- FIAGES and FALS Bariatric courses to be organized at Indore from 19th to 21st of July 2024, under the aegis of Indian Association of Gastrointestinal Endosurgeons (IAGES).

As envisioned by our founder president Dr T E Udwadia, IAGES is an organization of surgeons formed to promote and spread the advancement of Endoscopic Surgery throughout India and beyond.

Our theme for 2024-25 is "Together We Can," emphasizing collaboration. We aspire to extend MAS benefits nationwide without compromising quality. I am confident that the twin program at Indore will enrich you and inspire you to achieve greater heights in your career.

The Organizing team, under the leadership of Dr Achal Agarwal, Ishant Chaurasia is working hard to make this a memorable learning experience for you.

You can also grab the opportunity to get the blessing of Mahakaleshwar jyotirling at Ujjain.

Long Live IAGES

Combo Fellowship Program

19th - 21st July, 2024
Hotel Radisson blu, Indore

FIAGES, FALS BARIATIC & CME

Dr. T.Sivakumar

HONORABLE SECRETARY, IAGES

A warm greetings to all. It is an honour to announce and to work with Dr.Achal Agarwal and team. I am indeed excited to hear such new initiatives that are designed to bring everyone together by introducing Indoor Foodie City concept to our program i.e.."Combo Fellowship" course from FIAGES, FALS BARIATIC and CME's to attract the skill hunger youngster in multitude.

I am really surprised to learn the enthusiasm of organizing team by the program which is designed with collaborative, interactive models and sessions by eminent faculties. No doubt that this program will produce a competent surgeons in advanced laparoscopic techniques.

I urge the all my friends, faculties and upcoming surgeons to explore the combo program that is stirred with wonderful opportunity to visit the "destination of travelers for Cotton handloom products, streets foods and temples".

"Let's learn together to shape the future of Endosurgeons"

Welcome to Indore!

Combo Fellowship Program

19th - 21st July, 2024
Hotel Radisson blu, Indore

FIAGES, FALS BARIATIC & CME

Dear Esteemed Colleagues,

It is with great pleasure that we extend a warm welcome to you for the prestigious Skill Course FIAGES and FALS Bariatric hosted by IAGES, to be held at the exquisite Radisson Blu Hotel in Indore on the 19th, 20th, and 21st of July 2024.

This is an unparalleled opportunity to immerse yourself in a world of learning, surrounded by esteemed faculties hailing from across the panoramic landscape of India.

Over the course of three enriching days, you will have the privilege of honing your skills and deepening your practical knowledge under the guidance of eminent surgeons who are giants in their field. This immersive experience is tailored to refine your expertise and elevate you to new heights as an aspiring surgeon.

We encourage you to seize this invaluable opportunity to expand your horizons and refine your craft. Join us as we embark on this transformative journey together, paving the way for a future filled with excellence and innovation.

Warm Regards,

WHO SHOULD ATTEND ?

- Surgeons aspiring to learn lap surgery and suturing the right way.
- Surgeons who perform lap surgery and seek to up to advanced procedures.

WHAT DO YOU GAIN ?

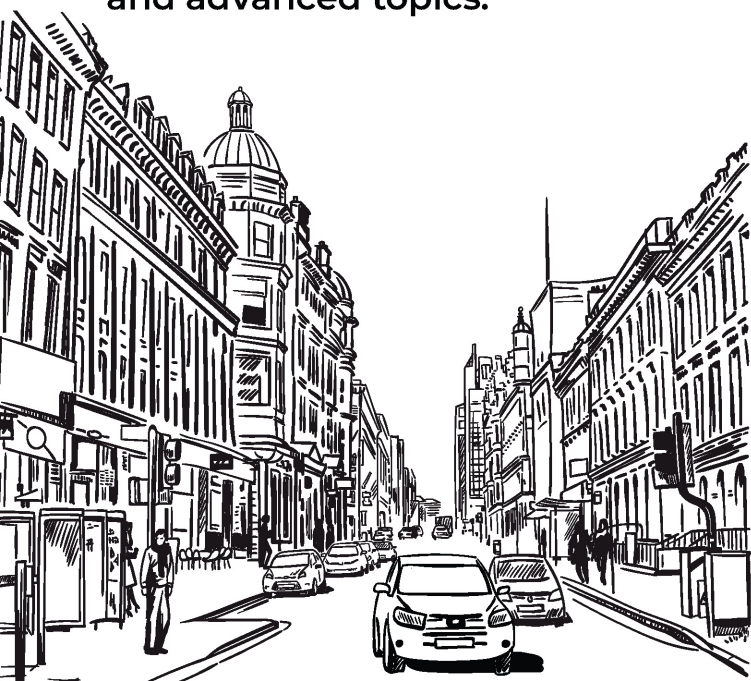

- Fellowship Degree & Certificate.
- Competency in lap surgery.
- Ability to perform a safe surgery.
- Options in difficult scenarios.
- In the present medico-legal era, this structured course enables the delegate to perform procedures efficiently.

WHY SHOULD ONE ATTEND ?

- Delegate focussed program with an interactive models.
- Workshop with live / recorded videos explaining in detail the anatomy, extent of dissections, critical, view, suturing, tips and tricks.
- Eminent faculty delivering structured lectures on basic and advanced topics.

WHY IN INDORE?

- Largest city and commercial capital of Madhya Pradesh
- Blend of history and modernization
- Awarded 7-Star Rating certification
- Known as a foodie city, renowned for its delectable and chatpata khana khazana (flavorful and spicy food delights)
- Ideal for your conference

FELLOWSHIP CATEGORY

Eligibility Criteria:

• IAGES MEMBERSHIP IS MUST.

- Those who are not members may apply for membership online. see the website www.iages.in for more details.
- Post graduate degree in surgery is mandatory.
- Number of years of experience in laparoscopic surgery should be a minimum of 2 years (includes experience in laparoscopy as resident). A resident or junior consultant should obtain certificate of experience from the HOD of the hospital/Institution as a supportive document. Attach soft copies of MBBS, MS or DNB certificate and MCI registration certificate during membership registration.)
- Members of collaborating associations who have signed MOU with IAGES are also eligible. They are expected to get their application endorsed by the respective collaborating association prior to joining the course.

(A) Non-Examination category

- Suitable for those candidates working as faculty in teaching institution and all surgeons with more than 10 year experience in doing laparoscopy.
- Already an IAGES member or should become IAGES member.
- Number of laparoscopy done in the last 10 years >100 would be eligible to receive the FIAGES fellowship on satisfactory completion of the FIAGES course and the informal interview.

(B) Examination Category

- Suitable for those with a minimum of 2 years experience in laparoscopic surgery (includes experience in laparoscopy as postgraduate / resident) after post- graduation.
- Fellow should have experience certificate from HOD, Employer or self if running own hospital.
- Log book: It is mandatory that candidates should submit a log book containing a minimum of 25 basic Laparoscopic cases performed or assisted by them duly countersigned by Senior Consultant/ HOD or self if working in his/her own set up at the time of interview.

NON-FELLOWSHIP CATEGORY

- Online FIAGES is also open to Non-members and all surgical postgraduates and interested surgeons across the globe under the Non-Fellowship category wherein they are eligible to take this course and receive the certificate of completion of FIAGES course.
- They could register and participate in the annual national conference as postgraduates or Non-member category

LOGBOOK

- Age/Sex/Surgery/Role/Post-op course/Complication/Remarks
- Role - Assisted/under supervision/Independent (as drop down)
- Post-op course - Uneventful / Eventful (as drop down)
- Complications - Infection, Bleeding, Leak, Stricture, Obstruction, Others (type if others) as drop down
- Remarks - Type the outcome of the event, if patient has been conservatively managed, Recovered, Diseased, Transferred, etc

FIAGES SYLLABUS : FOR YEAR 2023 24

TIME: 20 MIN (18 +2)

S.No.	TOPICS
1	INTRODUCTION TO FIAGES COURSE
2	Overview on Endo vision and Equipments for laparoscopic surgery
3	Guidelines for Sterilization and Disinfection of Laparoscopic Equipments
4	Principles of ENERGY SOURCES and their complications during laparoscopic Surgery
5	ERGONOMICS FOR LAPAROSCOPIC SURGEON
6	Principles of Safe Peritoneal Access and related complications
7	KNOTS & SUTURES
8	STANDARD LAP cholecystectomy
9	DIFFICULT LAP Cholecystectomy
10	MANAGEMENT OF POST LAP CHOLE BILE DUCT INJURY
11	LAP CBD STONE MANAGEMENT
12	COMPLICATIONS OF LC -PANEL Discussion
13	LAP APPENDECTOMY
14	LAP IN ACUTE ABDOMEN - Includes Gynae. (Except GB & Appendix)
15	ANATOMY OF GROIN AND ABDOMINAL WALL FOR LAPAROSCOPIC SURGEON
16	TAPP: Step by Step
17	TEP: Step by Step
18	VENTRAL HERNIA – IPOM and IPOM Plus
19	ABC OF AWR
20	LAP HIATAL SURGERY (Lap Fundoplication and Lap Heller's)
21	LAP SPLENECTOMY: Step by step
22	PSEUDOCYST OF PANCREAS / LIVER - CYSTS / LIVER ABSCESSSES
23	CASE CAPSULES ON LAPAROSCOPIC MANAGEMENT OF COLORECTAL DISEASES
24	INTRODUCTION TO BARIATRIC SURGERY
25	Overview on Robotic Surgery: Present status and future prospects
26	ENDOSCOPY FOR SURGEONS

TIME SLOTS FOR

- HANDS ON SUTURING IN LAP TRAINER:
 - Demonstration by faculty
 - Session wise Training by delegates/ under supervision
- MEET THE PROFESSOR SESSION:
 - ATTEND ANY ONE FOR 45 MIN
 - o TROUBLE SHOOTING IN LAP CHOLE
 - o SETTING UP A LAPAROSCOPY UNIT:
 - o MOVING FROM BASIC TO ADVANCED LAPAROSCOPIC
 - o SURGERY: Challenges and Solutions
 - o LAP GROIN HERNIA: TIPS FOR BEGINNERS

ASSESSMENT OF FIAGES FELLOWSHIP CANDIDATES

- The candidate is expected to know all important facts in laparoscopic surgery.
- Written Paper Timings: 60 minutes
 - The written paper should have 100 MCQ questions (single best response type).
 - Maximum marks: 100
- Practical Examination

It is in two parts

 1. The skill assessment on endo trainer on the bases of performing simple to advanced exercises. Duration: 10 minutes for each candidate. A maximum of 50 marks are allotted for the endo trainer assessment. Each candidate is examined by one examiner only
 2. Interview/assessment for approximately 10 minutes on each candidate.

The candidates are divided into batches and are interviewed by two or more senior faculty members of IAGES depending upon the number of candidates. A maximum of 50 marks are allotted for the viva/interview.
- The total marks for practical examinations are 100 (entertainer assessment 50 marks and interview 50 marks). A minimum of 50 marks are required to pass separately in practical examination combining the entertainer assessment and interview.
- Outcome of the written and practical assessment will be prepared by the organizing team with the help of the Fellowship board and to be signed and to be sent to the President with a copy to the Hon Secretary Office and FIAGES board and results will be published on the IAGES website.
- Successful candidates would be expected to attend the subsequent annual conference and convocation to receive the fellowship certificate.

The Fellowship certificate would only be posted to the candidate if he /she fails to attend two consecutive annual congress/convocation.

About FALS Fellowship Course

This course is to train senior or advanced laparoscopic surgeons and to keep the members abreast with recent advancements in advanced laparoscopic procedures. FALS courses are organized in various sub-specialties such as hernia, bariatric surgery, upper gastrointestinal surgery, colorectal surgery and oncology, HPB and robotic surgery.

FELLOWSHIP CATEGORY

Eligibility Criteria:

- IAGES MEMBERSHIP IS MUST.

Those who are not members may apply for membership online. See the website www.iages.in for more details

(A) Non-Examination category

- Surgeons who have been doing laparoscopic surgery in the chosen field for 10 or more years are eligible for Non-Examination Category. Candidates should have performed more than 100 laparoscopic surgeries in the chosen subspecialty and need to submit a logbook to substantiate the claim.
- All the candidates will be interviewed by the IAGES board for final assessment before the award of fellowship

(B) Examination Category

- All surgeons with a minimum of five years experience in the chosen specialty of laparoscopic surgery after post-graduation can apply in this category.
- The applicant should have performed over 25 laparoscopic procedures in the chosen specialty either jointly or independently.
- All the candidates would appear for MCQ assessment and Viva by the IAGES FALS board for final assessment during the forthcoming annual national conference before awarding the fellowship

NON-FELLOWSHIP CATEGORY

- FALS course is also open to Non-members and all surgical postgraduates and interested surgeons across the globe, under the non-Fellowship category wherein they are eligible to take this course and receive the Certificate of completion of FALS course.
- They could register and participate in the annual national conference as Postgraduates or Non-member category

LOGBOOK

- Age/Sex/Surgery/Role/Post-op course/Complication/Remarks
- Role - Assisted/under supervision/Independent (as drop down)
- Post-op course - Uneventful / Eventful (as drop down)
- Complications - Infection, Bleeding, Leak, Stricture, Obstruction, Others (type if others) as drop down
- Remarks - Type the outcome of the event, if patient has been conservatively managed, Recovered, Diseased, Transferred, etc

FALS BARIATRIC SURGERY FELLOWSHIP COURSE MODULES

Module No	TOPICS
1	History & evolution of bariatric surgery
2	Setting up of bariatric programme
3	Bariatric Guidelines - Why they are different for India?
4	How to prepare the patient for bariatric surgery
5	Anaesthesia for bariatric surgery - "What is special"
6	Mechanism(s) of Bariatric surgeries & Outcomes
7	Evidence Based Procedure Selection - Does an algorithm exists?
8	Sleeve Gastrectomy - Step by Step "What is going to make it work"
9	Interesting complications other than leaks in Sleeve & their management-Video based
10	RyGB - Step by Step of various techniques
11	Complications of RyGB& their management
12	OAGB - step by step & technical variations
13	OAGB Complications & their management
14	Other Bariatric (non endoscopic) surgeries
15	Endoscopic weight loss options
16	Weight regain after bariatric surgery - now what?
17	Why band a bariatric procedure
18	Single port/Robotic bariatric surgery - "Where do we stand"
19	Follow up protocol and nutritional supplementation
20	Obesity surgery in adolescent & elderly - expectation, safety & outcomes
21	VTE risk mitigation - assessment & stepsRGEONS
22	Enhanced recovery after bariatric surgery
23	Management of ventral hernias in morbidly obese patients
24	Prediction of Diabetes Remission -"Role of scoring system"
25	Importance and ways of follow up -"Is it over rated"
26	Uncommon Complications encountered in bariatric surgery
27	Safety in bariatric surgery
28	Hiatus Hernia and Sleeve
29	Staple line- Reinforcement in Sleeve gastrectomy- options & current status
30	Conversion of sleeve to "What, When & How"
31	Sleeve leaks and its Management

ASSESSMENT OF FALS FELLOWSHIP CANDIDATES/EXAM CATEGORY

- The candidate is expected to know all important facts in Chosen subspecialty in laparoscopic surgery.
- Written Paper Timings: 60 minutes
 - The written paper should have 100 MCQ questions (single best response type).
 - Maximum marks: 100
- Practical Examination

Interview/assessment for approximately 10 minutes on each candidate. The candidates are divided in to batches and are interviewed by the two or more senior most faculty members of IAGES depending upon the number of candidates. Maximum of 50 marks are allotted for the interview.

Outcome of the written and practical assessment will be prepared by the organizing team with the help of the Fellowship board and to be signed and to be sent to the President with a copy to the Hon Secretary Office and FIAGES board and results will be published on the IAGES website.

- Successful candidates would be expected to attend the subsequent annual conference and convocation to receive the fellowship certificate.

The Fellowship certificate would only be posted to the candidate if he /she fails to attend two consecutive annual congress/convocation.
