Dear fellow members IAGES,

IAGES had a fabulous IAGES 2019 at Bhubaneswar with the efforts of Dr Das, Dr Patnaik and their Team, which raised the bar for all IAGES Annual Conferences. I am sure the IAGES 2020 Organizing Chairman Prof. Mufiduz Zaman Ahmed and Organising Secretary Prof. Subhash Khanna and their entire Team will have geared up and pushed all their resources to the limit in the effort to improve on Bhubaneswar.

The IAGES Annual Meeting has the important function of updating the Membership on the entire gamut of MAS and placing in perspective the changes and advances over the last year. Equally, if not more important our Conference ensures fellowship, friendship and unity amongst all the fellows of IAGES. The Election Officer and Team this year has assured a totally meticulous, transparent and acceptable election processes, which will add greatly to the camaraderie and unity of all the members at Guwahati.

Guwahati has a pre-eminent position as a premier tourist center, which I can vouch for after repeated visits. The warmth, softness and hospitality of the local population has to be experienced to be believed. This conference, I am sure, will be educative, happy, tension free, and academically, socially, culturally and gastronomically a bonanza!

See you all in Guwahati.

Dear Friends and Colleagues,

It gives me immense pleasure to invite you all for IAGES 2020 at Guwahati.

IAGES is the most vibrant organization of Laparoscopic Surgery and GI Endoscopy in India. With more than 7000 active members IAGES completed 25 years of its existence in 2018. IAGES started in 1993 as a small organization of 25+ members and has evolved itself in to a giant Surgical Organization. This would not have been possible without the Love and affection of Surgeons of India.

IAGES has been at the forefront of Laparoscopic & Endoscopic Training for the Surgeons since its inception. Every year IAGES does various teaching and Skill imparting Programs such as FIAGES, eFIAGES, FALS, FAGIE, Laparoscopic Suturing & Knotting etc all over the country. The National Congress of IAGES happens every year now and the next Congress is in the very beautiful Guwahati.

North East States of INDIA are very rich in Natural beauties & Cultural heritage. Majority of this is still untouched by many of our surgical colleagues and their families. IAGES 2020 will be very rich in scientific contents and Skill activities. There are many eminent National & International Faculties coming to this event and sharing their wealthy experience with us. IAGES National Congress has Its Annual Convocation as regular event. During the Convocation the Fellows of IAGES are awarded with their Fellowship Certificates in style. This is an event every Surgeon wish to attend at least once to experience the academic heights of their achievements.
