FALS Hernia

THIRUVANANTHAPURAM 2024

Fellowship in
Advanced Laparoscopic
Surgery for Hernia

Dear Esteemed Friends and Colleagues,

We are thrilled to extend our heartfelt invitation to you for FALS HERNIA 2024 THIRUVANANTHAPURAM, set to take place from April 5th to April 7th. FALS HERNIA 2024 offers a unique fellowship tailored for practicing Laparoscopic Surgeons, proudly presented by the esteemed Indian Association of Gastrointestinal Endo Surgeons (IAGES), India's premier and largest organization of Minimal Access Surgeons.

The distinguished venue for this enlightening event is Saraswathy Hospital, Parassala - a prestigious 150-bed NABH accredited Multi-Specialty Hospital, recognized for its excellence in Minimal Access & Bariatric surgeries.

Accommodation for Delegates and Faculties is arranged at **Isola Di Coco Beach Resort Poovar, Thiruvananthapuram, Kerala** at special Rates.

As part of the event, we cordially invite you to join us for a splendid gala dinner at the venue. Your accommodation is meticulously arranged at a location that promises both relaxation and the opportunity to indulge in the beauty of Poovar beach.

We earnestly urge you to actively participate in this enriching experience by registering for the course. Come join us and immerse yourself in the warmth of hospitality while indulging in an academic feast.

Yours Sincerely,

Organising Secretary
Dr. S.K. AJAIYA KUMAR

FALS HERNIA Guidelines

(Fellowship of Advanced Laparoscopic Surgery)

About FALS Fellowship Course

This course is to train senior or advanced laparoscopic surgeons and to keep the members abreast with recent advancements in advanced laparoscopic procedures. FALS courses are organized in various sub-specialties such as hernia, bariatric surgery, upper gastrointestinal surgery, colorectal surgery and oncology, HPB and robotic surgery.

A. FELLOWSHIP CATEGORY

Eligibility Criteria:

IAGES MEMBERSHIP IS MUST.

Those who are not members may apply for membership online. See the website www.iages.in for more details.

Members of collaborating associations who have signed MOU with IAGES are also eligible. They are expected to get their application endorsed by the respective collaborating association prior to joining the course.

1. Non-Examination category

Surgeons who have been doing laparoscopic surgery in the chosen field for 10 or more years are eligible for Non-Examination Category.

Candidates should have performed more than 100 laparoscopic surgeries in the chosen subspecialty and need to submit a logbook to substantiate the claim.

All the candidates will be interviewed by the IAGES board for final assessment before the award of fellowship.

2. Examination Category

All surgeons with a minimum of one year experience in the chosen specialty of laparoscopic surgery after post-graduation can apply in this category.

The applicant should have performed over 25 laparoscopic procedures in the chosen specialty either jointly or independently.

All the candidates would appear for MCQ assessment and Viva by the IAGES FALS board.

for final assessment during the forthcoming annual national conference before awarding the fellowship

B. Non-Fellowship Category

FALS course is also open to Non-members and all surgical postgraduates and interested surgeons across the globe, under the non-Fellowship category wherein they are eligible to take this course and receive the Certificate of completion of FALS course.

They could register and participate in the annual national conference as Postgraduates or Non-member category.
