President IAGES

The Fellowship in Advanced Laparoscopic Surgery FALS UGI 2024 under the aegis of the Indian Association of Gastrointestinal Endo Surgeons (IAGES) will be held from 10-12 May 2024, at Hotel Hyatt, Vastrapur, Ahmedabad. IAGES is a 11,000 member strong academic body of Minimally Invasive Surgeons. The association strives to disseminate knowledge and technology transfer of cutting-edge minimally invasive procedures. The FALS program will have an intensive teaching program for three days, followed by an exam and certification.

Minimally invasive foregut surgery has grown leaps and bounds and has improved outcomes for patients with upper gastrointestinal disorders. The science of benign and malignant foregut surgery has evolved into a fine niche of highly skill-demanding surgical specialty. It is pertinent for us to be updated with the best of knowledge from the masters of foregut surgery across the globe.

This field is rapidly improving, and the outcome will be consistent once standardized therapy guidelines are implemented. The entire gamut of the upper gastrointestinal surgery will be covered over three days with masters in the specialty. The fellowship academics cover the basics, translational science, standard techniques, current direction, and future course of development in Upper GI Surgery.

National and International Sessions will cover diverse topics of Upper GI Surgery. Robotic Surgery is transforming the treatment of complex upper GI problems. A live demonstration of cutting-edge minimally invasive procedures will be an integral part of the program.

The course will have the best hosting services. The organizing team welcomes you to the city of bon vivants-heritage, peace, delicious food and memories in store just for you. We assure you of the best hospitality in Ahmedabad.

We welcome you to this intensive academic program and the Fellowship in Advanced Laparoscopic Surgery in Upper GI Surgery Domain.
