LONG LIVE IAGES

Dear friends,

Greetings from IAGES Central Office.

IAGES has now become one of the largest academic forums on the global stage of Minimal Access Surgery with close to 10000 members.

Teaching, training, and knowledge sharing are the key attributes of our association.

Thanks to the IAGES Central Zone and Our dynamic members from the city of lakes, we are pleased to have IAGES Midterm Conference in Bhopal on the 28th & 29th of October 2023.

The theme of this conference would be 'Innovation & Safety in MAS'

The scientific deliberations would be in the iconic state-of-the-art MINTO HALL in Bhopal.

We propose to have 2 days of pre-conference PG Masterclass (on the 26th and 27th of October 2023) with ample opportunity to have hands of experience in flexible endoscopy and laparoscopic suturing skills.

During the main conference, we shall have live operating sessions, Cutting edge technology talks, Orations, panel discussions on safety in MAS, and free paper and E-Poster sessions in all major subspecialties in MAS.

The local organizing team has started working already to make it a unique conference with ample opportunities for sightseeing, networking, and learning.

Let us all meet in the city of Lakes with our family members and friends and enjoy this admirable academic adventure

Thank you

Yours affectionately

Dr.S.Easwaramoorthy

President IAGES

On behalf of the organising committee and the IAGES family, I am pleased to invite you to the Midterm conference of IAGES to be held at Bhopal on 28st and 29nd October, 2023.

Along with Mid Term there shall be PG MAS skill course and FIAGES and E-FIAGES program from 26-29 October 2023.

A perfect laparoscopic Academic Fest awaits you all.

Dr. Ishant Chaurasia and his dynamic team have organised an Academic extravaganza, Fellowship and Relaxation like never before.

This conference will provide you an opportunity to see the masters demonstrate different Laparoscopic Surgeries which will be beamed live from 3 operation theatres. There will be academic deliberations of newer developments in Minimal Access Surgery.

Looking forward to welcoming you to Bhopal

Dr Achal Gupta

Vice president, Central zone, IAGES

We are proud to host the IAGES mid-term conference in Bhopal this year from 28th to 29th October 2023 at People's College of Medical Science & Research Centre.

This conference will provide a platform to bring the experts and enthusiasts together in one place to learn and grow better. Under this two day conference a Basic Skill course, FIAGES fellowship course and E-FIAGES fellowship course shall be organized on 26th and 27th October 2023 for the PG students.

I would like to admire the organizing committee for their hard work and dedication towards planning this event. Your efforts will undoubtedly result in a successful conference that will bring together experts and professionals from the field of gastrointestinal endoscopy. I am excited to witness the knowledge-sharing, learning, and collaboration that will take place during this two day conference. Good luck to the President, Chairman, Organizing Secretaries, faculty, Delegates, and everybody else involved in the planning and organization of this conference. I am looking forward to a fruitful time at the IAGES conference.

Mr. Rohit Pandit
Managing Director, People's Group
Patron, IAGES Mid-term Conference

Dear friends

I am pleased to invite you all for the Mid-term IAGES conference to be held in Peoples medical college , Bhopal on 28th and 29th October, 2023.

The purpose of this conference is to benefit the surgeons to learn new techniques, share knowledge and experiences, discuss latest advances and training opportunities. It will be a great learning platform for young surgeons to discover newer techniques, address challenges, discover different opportunities through live operative procedures, hands on training, interactive sessions and skill enhancement programmes.

I hereby sincerely invite you all to register and attend the conference and witness another learning experience in you surgical memories. Thank you

Dr. Nitin Garg
Organizing Chairman

I'd like to welcome you to the midterm conference of IAGES to be held at Bhopal, centre of the country. It's an exciting time to conduct such an event for a special group of minimally invasive surgeons. This is the midterm conference devoted to current research and theory as well as future perspective on newer technology developed by our young brigade. It will give participants a platform to exchange ideas, discover novel opportunities, reacquaint with colleagues, meet new friends and broaden their knowledge.

The organizing committee in collaboration with the parent body built up a stimulating scientific program. Kindly register yourself to an event for lifetime experience.its going to be scientific feast and opportunity to develop a good friend circle

Dr Ashutosh Soni
Organizing Co-Chairman

Dear Friends,

Welcome to IAGES Mid Term 2023!

We are delighted to announce the **Mid Term Congress of Indian Association of Gastro-intestinal Endo Surgeons (IAGES)**, to be held at Kushabhau Thakre Hall and Peoples College of Medical Sciences and Research Centre, Bhopal on 28th and 29th October 2023.

As you are well aware, IAGES is the premier society for Laparoscopic and Endoscopic Surgeons in India, comprising close to 10,000 members. With this event, we aim to revive the importance of a Mid Term conference, so that surgical knowledge can be imparted to all.

In addition to the Mid Term Congress, we are also conducting FIAGES and eFIAGES courses and a Post Graduate Minimal Access Surgery Skill course.

The **FIAGES** and **EFIAGES** courses shall be held from 26th to 28th October 2023 at People's College of Medical Sciences and Research Centre, Bhopal. As you are well aware, these courses are directed towards young surgeons and have been the flagship courses of IAGES, and surgeons shall be awarded the prestigious Fellowship certificate in Minimal Access surgery and/or Endoscopy upon successful completion of the course.

The **Post Graduate Minimal Access Surgery Skill Course** shall be held on 26th and 27th October 2023 at People's College of Medical Sciences and Research Centre, Bhopal. This will be directed towards training Post graduate students in General Surgery, and helping them learn the nuances of Minimal Access Surgery at an early stage.

Also, October is a great time to visit the central state of India. Do not miss an opportunity to explore the rich culture and architecture of Bhopal.

Our entire team looks forward to seeing you in **Bhopal, the City of Lakes!**

Thanking you,

**Organizing Team,
IAGES Mid Term 2023**
