PRESIDENT'S MESSAGE

DR. SUBHASH AGGARWAL
President

Dear Colleagues,

Dear Friends,

It gives me immense pleasure to welcome you all to the Cholecystectomy skill course to be held on November 29 and 30, 2024 at Rajahmundry.

Laparoscopic Cholecystectomy is one of the basic procedures a surgeon would start his laparoscopy career with, but the anatomical variations one can encounter in this procedure is numerous. It is very important to teach the various dissection techniques and options available in case of difficulty to achieve a safe CVS, so that the morbidity for the patient can be reduced. This course is designed in a practical manner addressing all the difficulties a surgeon might face while performing a Cholecystectomy. Live workshop demonstrating the surgery is also included.

Under the expert guidance of Dr. Ganni Bhaskara Rao and Dr. Samir, our dedicated team is committed to transforming you into proficient specialists in laparoscopic surgery. Seize this opportunity to advance your skills and elevate your expertise.

Yours Always,

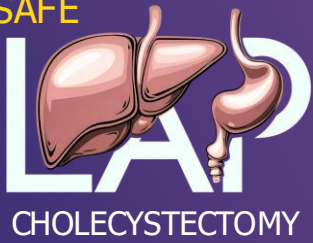

Dr. Subhash Aggarwal
