

# FIAGES Guidelines

## FIAGES-FELLOWSHIP CATEGORY

### **IAGES MEMBERSHIP IS MUST.**

Those who are not members may apply for membership online. See the website [www.iages.in](http://www.iages.in) for more details. Post graduate degree in surgery is mandatory.

Number of years of experience in laparoscopic surgery should be a minimum of 2 years (includes experience in laparoscopy as resident). A resident or junior consultant should obtain certificate of experience from the HOD of the hospital/Institution as a supportive document. Attach soft copies of MBBS, MS or DNB certificate and MCI registration certificate during membership registration.

Members of collaborating associations who have signed MOU with IAGES are also eligible. They are expected to get their application endorsed by the respective collaborating association prior to joining the course.

### **(A)FIAGES: NON EXAMINATION CATEGORY:**

- Suitable for those candidates working as faculty in teaching institution and all surgeons with more than 10 year experience in doing laparoscopy.
- Already an IAGES member or should become IAGES member
- Number of laparoscopy done in the last 10 years : >100

- would be eligible to receive the FIAGES fellowship on satisfactory completion of the FIAGES course and the informal interview.

### **(B) FIAGES: EXAMINATION CATEGORY**

1. Suitable for those with a minimum of 2 years experience in laparoscopic surgery (includes experience in laparoscopy as postgraduate/resident).
2. Fellow should have experience certificate from HOD, Employer or self if running own hospital.
3. Fellow should present an online Log Book. Total 25 cases including all Assisted/ Operated laparoscopic surgeries.

### **FIAGES-NON FELLOWSHIP CATEGORY**

- Online FIAGES is also open to Non members and all surgical postgraduates and interested surgeons across the globe under the Non-Fellowship category where in they are eligible to take this course and receive the certificate of completion of FIAGES course.
- They could register and participate in the annual national conference as postgraduates or Non-member category

### **Logbook**

- Age/Sex/Surgery/Role/Post-op course/Complication/Remarks
- Role - Assisted/under supervision/Independent (as drop down)
- Post-op course - Uneventful / Eventful (as drop down)

- Complications - Infection, Bleeding, Leak, Stricture, Obstruction, Others (type if others) as drop down
- Remarks - Type the outcome of the event, if patient has been conservatively managed, Recovered, Diseased, Transferred, etc

## **FIAGES Syllabus**

| S.No | TOPICS                                  |
|------|---|
| 1.   | HISTORY AND INTRODUCTION TO LAPAROSCOPY |
| 2.   | VISION D / D                            |
| 3.   | INSTRUMENTS, ACCESSORIES                |
| 4.   | STAY STERILE                            |
| 5.   | ENERGY SOURCES                          |
| 6.   | ERGONOMICS & HOW TO TRAIN FURTHER       |
| 7.   | ENTRY INTO ABDOMEN                      |
| 8.   | KNOTS & SUTURES                         |
| 9.   | STANDARD LAP CHOLE                      |
| 10.  | DIFFICULT LAP CHOLE                     |
| 11.  | ANESTHESIA IN LAPAROSCOPY FOR SURGEONS  |

|  |   |
