PRESIDENTIAL MESSAGE

Dear Colleagues,

As President of IAGES, I extend my invitation to all surgeons to join us for a twin course of FIAGES and EFIAGES at Jabalpur (MP).

At IAGES, we are committed to strengthening and enhancing the skills of general surgeons. This is a unique opportunity at Jabalpur to attend such courses and a structured fellowship that empowers surgeons in endoscopic and laparoscopic competence, enabling them to treat patients with minimal invasive surgeries and achieve better outcomes. Simultaneously, it will enhance your endoscopic and laparoscopic procedural skills.

A large number of experienced faculty and experts in the field will join us to make this conference a success.

Dr. K. Govindaraj
President

MESSAGE FROM THE ORGANISING TEAM

Dear Colleagues,

It gives me great pleasure to welcome you to the EFIAGES & FIAGES Fellowship Courses, a unique academic platform dedicated to advancing knowledge and skills in gastrointestinal endoscopy and minimally invasive surgery. These fellowship programs bring together surgeons from across the country to learn, share experiences, and enhance their expertise in these rapidly evolving fields.

The course has been carefully designed to offer a balanced blend of expert lectures, case-based discussions, simulation-based training, live endoscopy sessions, & live surgery, guided by a distinguished faculty of nationally renowned experts. Our goal is to provide participants with practical insights into the latest techniques, technologies, and evidence-based practices.
