Assessment of FIAGES Fellowship Candidates

The candidate is expected to know all important facts in laparoscopic surgery.

- Written Paper Timings: **60 minutes**
 - The written paper should have 100 MCQ questions (single best response type).
 - Maximum marks: 100

- Practical Examination:

It is in two parts

1. The skill assessment on endo trainer on the bases of performing simple to advanced exercises. Duration: 10 minutes for each candidate. A maximum of 50 marks are allotted for the endo trainer assessment. Each candidate is examined by one examiner only
2. Interview/assessment for approximately 10 minutes on each candidate. The candidates are divided into batches and are interviewed by two or more senior faculty members of IAGES depending upon the number of candidates. A maximum of 50 marks are allotted for the viva/interview.

The total marks for practical examinations are 100 (Endo-Trainer assessment 50 marks and interview 50 marks). A minimum of 50 marks is required to pass separately in practical examination combining the Endo-Trainer assessment and interview.

- Outcome of the written and practical assessment will be prepared by the organizing team with the help of the Fellowship board and to be signed and to be sent to the President with a copy to the Hon Secretary Office and FIAGES board and results will be published on the IAGES website.
- Successful candidates would be expected to attend the subsequent annual conference and convocation to receive the fellowship certificate.
- The Fellowship certificate would only be posted to the candidate if he /she fails to attend two consecutive annual congress/convocation.

laparoscopic surgery, the importance to be safe and to prevent complications should be highlighted whenever required.

- Speakers and chairpersons have to stick to the timeline. Only one liner introduction of speakers and chair persons will save time for the lecture. Chairpersons have to ensure that there is no encroachment on other speaker or discussion time and they have to facilitate interaction between speaker and audience and which should be to the point.
- All speakers and topic of their lecture should be finalized at least 2 months in advance by the local organizing committee in consultation and knowledge of the president, chairman-fellowship board and conveners. Alternative replacement has to be made for any last-minute withdrawal due to unavoidable circumstances.
- The Feedback assessment form is given to all the delegates for their comments and suggestions.
- Presentation of mementos to be avoided on the stage since lots of time is wasted and time scheduled is disturbed and delayed. It is preferable to place it in the registration bag.
- Inaugural ceremony and time for refreshments and entertainments should be restricted to enable seamless conduct of the academic program
- Audited account statement of the fellowship course should be submitted to President and Hon Treasurer within 3 months after the conduct of the course and appropriate profit sharing guidelines should be adhered to.
